

1 Place poncho **INSIDE OUT**. The back (shorter side) should be face up. Fold the hood down onto the body as shown.

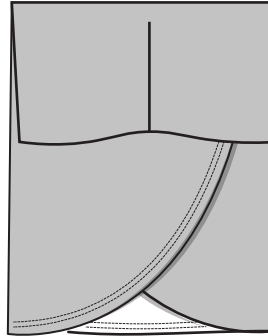

2 Fold one side of the poncho over on top of the hood.

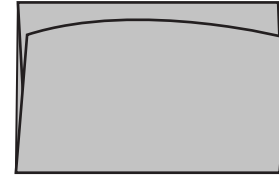

3 Fold the other side of the poncho on top of the first side.

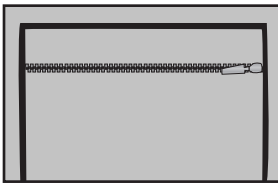

4 Fold the top downward.

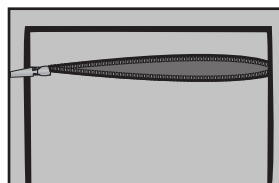

5 Fold the bottom upward.

6 **FLIP** the whole thing over so the zipper faces up.

7 Unzip the pouch.

8 Carefully fold the poncho into the pouch.
